THE FUTURE OF MANUFACTURING AND AUTOMATION IS HERE

METALTECH & AUTOMEX has long been a driving force behind Malaysia's manufacturing success, fostering innovation and collaboration within the industry. Under the theme **Sustainable Manufacturing: From Smart Solutions to AI Innovations**, the event will showcase the latest advancements in the manufacturing and automation industry.

As Malaysia's premier platform for industry professionals in the machine tools, metalworking, and automation industry, METALTECH & AUTOMEX connects manufacturers, suppliers, and technology leaders to share ideas and explore business opportunities.

Attendees can look forward to a comprehensive exhibition of cutting-edge machinery, robotics, and AI-driven solutions that enhance productivity and sustainability, along with insightful seminars from industry experts addressing emerging trends and challenges. Focused on innovation and efficiency, METALTECH & AUTOMEX plays a crucial role in shaping the future of the industry.

WHAT TO EXPECT AT METALTECH & AUTOMEX 2025

More than 20,000 on-floor attendees from 47 countries

More than 1,500 participating companies and brands from 20 countries and regions

4 Group Pavilions: China, Germany, South Korea, and Taiwan

More than 20 Innovative TECHTALK Seminars and Conferences

Total of 6 Extensive Halls

SHOW INFORMATION

Date:

14 – 17 May 2025

Opening Hours:

14 – 16 May (Wed – Fri): 10:00am – 6:00pm

AM MACHINERY SDN BHD

Yawei HPML-30510 PUNCH + LASER COMBINATION MACHINE

Booth: 4250

The HPML series CNC punch and laser combi machine is a versatile and efficient solution for various metalworking applications. It combines the advantages of punching, cutting, forming and tapping technologies.

Akyapak's 4-roll CNC rolling machines

Booth: 4255

Akyapak's 4-roll CNC rolling machines create full cylinders in a single pass by pinching material during pre-bending and bending, minimizing flat ends and reducing operator dependence for increased productivity.
